# SCORE CARD

**A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.**

**In an issue with Ines Cudna, Julia Miles and a former *Penthouse* Pet of the Year, the star of the Dec. '04 *SCORE* was a big-bust star of the '90s. SaRenna Lee wowed readers and made many new fans, especially with pictures like this one (below), which *SCORE*-men enjoyed full page in Dec. '04.**

## SHOOTING WHITE RAIN!

Dear *SCORE*,

Let me begin by hoping everyone at *SCORE* has avoided the hurricane damage. Living in the Midwest, I can't believe the damage these storms do. All of Florida has my sympathy.

Turning to more pleasurable topics, your Dec. '04 issue was another winner. Ines Cudna is stunning, but I was really sold when I saw the front cover that announced "New SaRenna Photos."

They are an absolute delight and a beautiful collection of this darling *SCORE*-girl. SaRenna is truly one of my all-time favorites. A stunning blonde with huge juggs who likes to spread her legs–what else is there in life?

SaRenna's final picture of this pictorial is my favorite. I was pumping away like mad, enjoying all she had to offer, and then I came to page 49. And cum I did. Once I saw her totally naked, those mammoth hooters, her blond hair and there right between her perfectly tanned thighs, her cunt, in seconds I was shooting white rain.

Probably my second favorite view of our honey is on the top of page 43. What a glorious view of her ass, pussy and juggs. Absolutely marvelous. I'll take aim at that some night soon.

My thanks to whoever came up with this idea. I'm amazed that not only can you put out consistently great magazines one after another, but with the Dec. '04 issue, you managed to create one of the very best, despite all of the troubles you have had in Florida. Can we see more of these types of features starring other *SCORE* legends? Again, my thanks.–S.B., Chicago, Illinois

## WORKING THE SCHLANG!

Dear *SCORE*,

The "Best of SaRenna Lee" has to be one of the best collections of this super big-titted lady ever published. She has got to be one of the best of all-time. Is there any chance of seeing L.A. Bust, Wendy Whoppers or other earlier big-busted legends in a similar collection in future issues of *SCORE?*

When I got to Ivy's "fucking of her life" pictures, I had to get busy and get plenty of Wet Lube out and work my schlang to a lather and pump a huge load over Ivy's pictures. Now I need to go out and buy a new copy of *SCORE!*

Ines Cudna has to be one of the best models you have had in a long time. She is what *SCORE* magazine is all about. Keep her coming.

Thanks, *SCORE,* for the great magazine(s) and your constant success in out-doing the "other guys."–Mika, St. Paul, Minnesota

***Editor's Note:*** *We used to publish "The Best of…" pictorials in the late '90s and early part of this decade but have gotten away from them. With the overwhelmingly positive feedback we received from readers over "The Best of SaRenna Lee," yes, we will continue this in the future, beginning with the Hall of Fame inductees for 2004, the first of which will be presented in the June '04 special Awards issue of* SCORE.

## THE GREATEST GIFT

Dear *SCORE*,

Merry Christmas to you all! What a gift the Dec. '04 *SCORE* was, especially with the familiar face of Andi Sue Irwin. Once a "Pet of the Year" and now a *SCORE*-girl, perhaps *SCORE*-girl of the Year. Now, that would be the greatest gift for Andi Sue, one of the most beautiful women to ever grace your pages. –M.S., Virginia

## BAH HUMBUG!

Dear *SCORE*,

*Bah Humbug!* Instead of an early gift from Santa Claus that it should have been, the Dec. '04 issue of *SCORE* was an extreme disappointment.

Earlier in the year, you indicated your intent to have one Nicole Peters pictorial per issue for the rest of the year. Your failure to have her in the Aug. '04 issue was bad enough, but at least it was understandable as it was an All-American issue. I'm as much a patriot as the next guy, but let's face it, when it comes to beautiful girls with large natural tits,

the British are kicking our ass! I was really looking forward to another Nicole pictorial with the Dec. '04 issue, and then you took her away from us.

Sure, I love variety. That's why I buy a men's magazine in the first place, to see different women in the nude. However, I'd rather have less filler and more qualilty. All the girls were okay, and certainly Ines Cudna and Julia Miles are among the cream of the crop. Also, I've always considered SaRenna Lee to be the very best of the enhanced models, except for the legendary Traci Topps. Even so, I can tell why these photos were not featured previously, as I've seen her look better.

But, when you say you intend to do something, one should not have some unspoken policy lurking in the wings. What are you trying to do, practice for a position in the RNC? It's just like them to say one thing and do another. I know Florida has had a lot of high winds lately, and I wouldn't wish another hurricane on anyone, but perhaps all of the bad weather has made you all a bit batty.

Despite those who just couldn't endure another pictorial of the best looking model in the business, this issue would have been better with her than without. I don't write that often, so excuse me for venting. But, I felt you needed to get a second opinion as the idea of "too much of a good thing" just doesn't apply here. Nicole is in a class all by herself, and as Mr. T. used to say, "I pity the fool(s) who just don't get it!"–R.E., Carpentersville, Illinois

*Dear R.E.: By all means, vent as much as you want. That's one of the reasons we have the SCORECard. As for Nicole's exclusion from the Dec. '04 issue, it's starting to seem like we'll have to defend our position until Dec. '05 or later. For the record, we agree with you, R.E., and believe that any issue with a Nicole Peters' pictorial is better than one without. Again, our position was that we would run Nicole until somebody told us to stop. That happened with the Dec. '04 issue. Yes, perhaps we should have stated the policy earlier, but we did not want to influence or encourage anybody's decision.*

## TWO TUBES OF LUBE AND COUNTING!

I just purchased the Dec. '04 issue and had to write and nominate Jada Deville for Model of the Year if she is

eligible and Newcomer of the Year. This woman has to be one of the best you have ever featured in *SCORE.*

I have to tell you, I ran out of lubricant with this issue and had to re-stock so that I could use more lube to work up a huge load for the Andi Sue debut. What a body she has!

There is no way the other magazines can possibly keep up with the fantastic content of *SCORE.* Keep up the great work.–J.V.N., Illinois

### WHERE IS CARRIE LYNN?

Dear *SCORE,*

I was wondering whatever happened to Carrie Lynn and if there are going to be any more pictorals of her? –J.C., e-mail address withheld

*Dear J.C.: We were hoping one of you (SCORE-men) could tell us. After graduating from the University of Florida, Carrie returned to her home state of California to do what most college graduates do–begin their careers. The last time we heard from Carrie (back in early 2004), she was quite successful in the business world and still single, though she did say that she was hoping to one day raise a family.*

Carrie Lynn hasn't posed since graduating college in 2001.

## Marketa's Busty Adventures

All righty horn-dogs, it's time for some fucking with a brand new video. *Marketa's Busty Adventures* is the newest *SCORE* Group action video, and it stars the European fuck doll who was a human vacuum cleaner in *Hard SCORE* and *Busty Euro Maids*...Marketa, who is so pretty and curvy, she could pose solo for the rest of her life and still be a star. But, when you toss in not one hard man-hose, but two, that's when Marketa really gets to show off her awesome sexual skills. If you loved her first two videos, Marketa's third one is a must for your *SCORE* DVD shelf. When Marketa fills her cheeks with cock and stares directly at the camera, you know what you're gonna do next.

One of the most bangable…uhh, we meant bankable…busty charmers on the scene today, Marketa is a woman who puts out a lot…uhh, we meant puts a lot of *feeling*…into whatever she does. If there's anything Marketa enjoys better than the high, hard one, it's two high, hard ones, and she gets exactly that in *Marketa's Busty Adventures.* Altogether, Marketa does four blistering scenes. She starts off with a breast-play and masturbation show outside on a sunny lawn, then moves on to three boiling hot fuck scenes. Two are one-on-one. The third is a wild threesome with two sleazy pipelayers who give Marketa a humping so horny and hard, she'll write about it in her diary.

ORDER NOW! PAGE 98

A guy needs to be in top shape to take on this bouncing broad! Of the four hottest Czech babes currently jiggling boobs and juggling balls on the scene in *SCORE* and *Voluptuous*, Marketa is the quietest compared to Zuzanna, Veronika and little Iva, who's a real chatterbox. Tell her what to do and Marketa will give 200%, but she's the real silent type. It's unusual to meet a woman who doesn't like to talk, but Marketa is just too busy stuffing her mouth with the cocks of her fuck pals to say much in this video. The action is ultra-horny and intense. The razor-sharp, well-lit camera work captures every thrust. Put *Marketa's Busty Adventures* on your shelf right next to *Hard SCORE*.

SCORE VIDEO PICK OF THE MONTH

Marketa's Busty Adventures

As a boner bonus, *SCORE's* constantly jacking video editors have added a XXX scene of Marketa's fellow Czech buster, a horny little minx named Simona. Though not in the same chestal league as Marketa, Veronika, Zuzanna and Iva, Simona's been taking on the studs like there's no tomorrow. In a sweaty, raunchy coupling, Simona proves that she can spread her snatch for tubesteak and empty a guy's nuts with the best of 'em. While Marketa was getting two loads over her massive boobs in her threesome, Simona was getting screwed so hard, the couch almost broke under them.

## BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

# A DIRTY SHAME

### THE YEAR'S BUSTIEST MOVIE GOES BUST AT THE BOX OFFICE

In August '04 *SCORE,* Boob Beat showed you a sneak peek of actress Selma Blair sporting a gigantic pair of glue-on mega-tits for her role as Ursula Udders in the latest John Waters film *A Dirty Shame*.

Selma spoke about her temporary ta-tas while promoting the movie, which ironically was released a week after Russ Meyer's death. "They were massive. I played a girl named Ursula Udders, and it was such an amazing experience working with such a pioneer of this whole independent just-out-there filmmaking. Tracy Ullman is my mother in it and Chris Isaak is my father, and Johnny Knoxville is our sex god. We play a town of sex addicts, and it was amazing. I play a go-go dancer in Baltimore. The breasts were pretty light–they were foam latex. And sometimes they had a water balloon in them for a certain *Je Ne Sais Quoi*. They were light, but they were pretty cumbersome."

"I had–actually this sounds so foolish–done all this work to play Ursula Udders, I'm just embarrassed to say. She's just this big clod. I looked like a drag queen. I looked like David Hasselhoff basically in the movie with the long hair. I had done all this research and watched all these Annette Funicello films. I really had an amazing routine worked out in my living room, but then I'd put the tits on, and it all went to crap. I couldn't move, and the platform shoes were not meant for dancing. Ursula, alas, was not a very good dancer, but she had a real presence."

"We had an amazing special effects company that put them together for me. It was just a lot of time in the makeup chair with a man fiddling about my boobs. I don't have a modest bone left in my body after being in four hours of breast prosthetics every day. Little did I know it would take four hours to put on a pair of tits every day."

Selma was packin', just not enough to get people to watch.

There was no danger in the breasts coming off during the filming. "They were glued down tight. My skin can attest to the fact that they were glued down real tight. But, it makes me have such a respect for prosthetic acting. And it wasn't even on my face. My God, I don't know how people do it."

Selma's fake breasts "trapped sweat around my breasts because there was no ventilation. It's amazing how horrible your breast area looks after they're trapped in a swamp all day. I'd be at work looking attractive in these massive breasts–then go home at night looking like a leprosy patient. My tits got so shredded every day that they looked like mice had been chewing on them. So we'd throw them away and go for a fresh pair the next morning. But the guys on the set would go digging through the trash and collect them for souvenirs!"

A life-long Russ Meyer fan, John Waters is a man who knows his boobological history. "Zena Fulsom is the one that I remember, so [Ursula] is sort of based on her–an English porn star who had these tits that were obviously fake, but the budget was so cheap, I couldn't figure out how they did them. These weren't cheap, but they looked cheap."

Boob Beat recommends you catch *A Dirty Shame* on DVD or Pay TV just for Ursula's scenes. Unfortunately it earned slightly over one million dollars after a month in U.S. theaters, a certified box office bust with moviegoers. Now that's a dirty shame.

# RUSS MEYER HAS LEFT THE BUILDING

## THE KING OF BIG-BOOB CINEMA PASSES AWAY AT 82

The Wall Street Journal called Russ Meyer "King of the Nudies" in a front-page story after the box office success of his movie *Vixen* in 1968. Meyer was all that and much more. He was the creator of "Bosom-mania" in 1959, a style of filmmaking that influenced many other adult filmmakers, men's magazine publishers, and the big-bust lovers who consumed his images like man-candy.

With movies such as *Supervixens, Lorna* and *Mondo Topless*, Meyer produced a unique genre of red-blooded, two-fisted, big-breasted entertainment for men. He showcased fantasy women who were beyond busty and the lusty, tit-crazed he-men who chased after them, and sometimes ran away from them. Meyer wrapped all of it with wild, funny and bizarre storylines.

*Beyond the Valley of the Dolls* (1970), written by Roger Ebert, today a famous movie critic for the *Chicago Sun-Times* and a close friend of Meyer's for over 30 years, was the first sex film made by a Hollywood studio, 20th Century Fox. In his tribute to RM after news of Meyer's death at 82 was announced, Ebert wrote, "He not only directed his films, but could and often did write, photograph, edit and distribute them, and carried his own camera. In a genre known for sleazy sets and murky photography, Meyer's films were often shot outdoors in scenic desert and mountain locations, and his images were bright and crisp. He said his inspiration was Al Capp's L'il Abner comic strip, and his films were not erotic so much as funny, combining slapstick and parody. His films were unique in that the women were always the strong characters, and men were the mindless sex objects."

"Where do you find those women?" Ebert once asked him. "After they reach a certain bra size, they find me," Meyer told him. Yes, it took a very special kind of woman to be a Russ Meyer-Girl. Most of his leading ladies such as Kitten Natividad, Raven De La Croix, and Tura Satana from the movie *Faster Pussycat Kill! Kill!*, were strippers or exotic dancers. (Filmmaker and RM disciple John Waters, director of the new movie *A Dirty Shame*, has generously called *Pussycat* the greatest film of all time.)

Meyer's movies did not make him rich. Meyer's control of his movies along the theatrical distribution pipeline is what made him rich. Lots of guys have made films and have shit to show for it. Meyer never lost control of his films. With money, Meyer was able to satisfy his Triple-D dreams and live exactly the kind of vigorous, virile life that the public imagined a guy like him would live. Anything he wanted. The best restaurants. Big cars and other guy toys. Capital to make more movies. Women. Lots and lots of women. Like his cinematic protagonists, Meyer loved bed-busting, sweaty sex with many of his leading ladies and models.

In truth, Meyer's films were unjackable. His evolutionary, innovative style of rapid-fire editing was brilliant and influenced countless video and filmmakers but the technique made his movies pretty much impossible to whack off to. A steady, lingering camera emphasis on a model's body or on a sex scene is imperative to successful stroking, and the viewer never gets it in his films.

In 1979, Meyer's theatrical run ended with the last of the great soft-core sexploitation epics, *Beneath The Valley of the Ultra-Vixens* starring Kitten. By this time, hardcore porn videos had destroyed the market for soft-core theatrical films like his, and the theaters and drive-ins themselves were vanishing. Meyer did not believe in hardcore and most guys now wanted to see girls getting fucked for real on screen. Seeing *Ultra-Vixens* in a depressingly empty theater on a Saturday night in October, 1979, proved it.

Russ could have easily retired, but the man loved to work, so he transferred nearly all of his films to the new product called the home video cassette and distributed them himself through his own company, keeping his usual strong grip on his property. That meant exceptional picture quality by making tapes from the original film negatives and keeping a personal hand in his mail order sales. It was not uncommon to call the RM Films International office and have the phone answered by Russ

himself. He kept his prices high for years, and he refused to lower them like everyone else, believing that his films were worth the money. (A Meyer VHS tape still costs $60.)

In the early '90s, Meyer realized another goal by self-publishing his autobiography, *A Clean Breast - The Life and Loves of Russ Meyer*, produced in 5,000 boxed sets of three volumes, initially costing an incredible $500 (now $249.). It was a project as gargantuan as the women who filled his movie screens. In 1995, Russ helped me out when I wrote an article about the soft-core sexploitation showmen of the 1960s that included him and guys like David F. Friedman and Harry Novak. (The article was published in January 1996 *SCORE* under the title Sex-O-Rama Sinerama.)

"Russ fought the good fight from Normandy Beach to Charles S. Keating," Friedman said about his old friend when hardcore director Henri Pachard asked him for a quote about Meyer's life for *Adult Video News.* Pachard himself was a young soft-core director named Ron Sullivan in the late '60s. "The films of Russ Meyer laid the groundwork for us to keep expanding our possibilities for generations to come. What both his critics and his competition back in the '60s regarded as 'cheap, porno crap' has now become a topic for film students and cult classic film festivals," wrote Pachard.

I found it interesting that Meyer often referred to himself in the third person. (If you have October '94 *SCORE,* go to page 20.) He once telephoned to thank *SCORE* for publishing the obit of his World War II army buddy Bill Teas (the man with the X-ray eyes in Meyer's 1959 debut movie *The Immoral Mr. Teas*) because Meyer was devoted to his GI buddies. And once Meyer phoned to ask if *SCORE* would be interested in him shooting a pictorial of his then-current girlfriend Melissa Mounds, but he never followed up on the idea. A Russ Meyer layout in *SCORE* would have certainly been an appropriate team-up.

The last time I saw Meyer was at a Las Vegas video convention in '99. Still looking dapper, he was signing his photo for a line of guys and girls who were not yet born when he was at his peak, proof that his movies attracted more than card-carrying bosom-maniacal veterans. His new generation of fans included cult movie watchers, artists, punkers, rockers, and all kinds of alternate culture types of all ages.

Meyer finally released one more film, a video feature called *Russ Meyer's Pandora Peaks* in 2001, which was originally scheduled for Christmas, 1994. Meyer's health had badly deteriorated over the past two years, and I'd recently heard sad news from friends that he was very ill.

In a 2002 tribute called "Thanks For The Mammaries," *Time* magazine film critic Richard Corliss wrote, "Being a gifted populist artist as well as (his word) a 'tittenfilmer,' Meyer didn't simply display acres of swollen flesh; he vigorously tilled that fertile field. His top-heavy starlets grunted and hove in aerobicized ecstasy, exhorting their pale male swains to 'Strap me on!' Meyer's oeuvre was all about sex: getting it, revering it, suffering for it, joking about it and, mostly, staring at it."

A bra cupful of the RM life philosophy might be summed up by what Russ said to Gettingit.com writer John McCormick in September, 1999, a day before the Egyptian Theater in Hollywood opened a 10-day retrospective called *Faster Pussycat! The Sex Crazed Cinema of Russ Meyer.* "You have to understand, my job is to get people through the night" and "Sex should be like chopping with a meat ax."

Russ Meyer was one of a kind and a man who knew the value of a good pair when he saw them. This talent gave him the Midas touch. Our thanks to Eric Caidin of Hollywood Book And Poster (323-465-8764) for the photo of Russ.

In-your-face and top-heavy movies like *Supervixens* were a Russ Meyer trademark.

# WHAT KIND OF WOMEN READ SCORE?

Hey, it's a Jade Feng sighting! Here's a home picture of the first Chinese woman ever to appear in *SCORE* (May '03), admiring her March '03 *Voluptuous* pictorial.

Deep-scooping sweater-fillers like Jade Feng, who's appeared twice in *SCORE* and twice in *Voluptuous* including two hardcore XXX pictorials. Here's a new photo of Jade at home admiring her nurse pictorial (published in March '03 *Voluptuous*).

"I often have to make the first move for sex if the guy is nervous, but usually the guy can't wait to get started when he sees my body and my big breasts," said Jade, who doesn't need a boob-growing cell phone ring tone and admits she's very unusual in having such large real boobs for an Asian lady. Her boobs have grown since she visited *SCORE*.

"I was in Vancouver, Canada shopping for bras," Jade said, "and I found out that I fit best into a 34G. I used to wear 36F bras. After I bought some pretty bras and did some other shopping, I went for coffee. A man came over to me and asked me if I was in *SCORE* Magazine. Then he said, 'Wow, you could practically set a cup up there and it wouldn't tip over!' I liked the attention because he was polite and funny. It's really a small world, isn't it? People in China used to tease me about my breasts and make me feel self-conscious, but here in the U.S., everyone is so nice and likes my large tits. When I lived in China, I never dreamed that I would be doing this. I loved every minute of it." Are they nuts over there in China?

Jade holds the title of first natural-boobed big-busted Chinese chick to model for *SCORE*. "The male stud that *SCORE* introduced me to at their studio for the boy-girl photos had a really big, thick dick and fatty balls. I could only get a few inches of his cock in my mouth. He'd never had sex with a Chinese woman from China before. I know he was surprised at how busty I am because he kept talking about how big my boobs are. The photo session was distracting me because I was really turned on by the male model. He didn't have much to say, but he seemed to know what he's doing. I was really turned on, and I didn't want the shoot to end. I would like to do an XXX video next."

Her fan club address is Jade Feng, P.O. Box 6432, Portland, OR 97228. "I am proud that I am the first Chinese model who has ever been featured in *SCORE*, the premiere men's magazine for large breasted girls. I am proud that I am the only Asian woman to appear in *Voluptuous*, the premiere magazine for natural, large breasted girls. To be in both magazines is a great thrill."

## RING-A-DING-DING

Japanese inventor Hidero Tomabishi has produced a ring tone for mobile phones which he claims can make a woman's breasts grow. The melody supposedly acts on the unconscious level. The music called Rockmelon has been downloaded by more than 10,000 mobile phone owners. Mr. Tomabishi says the melody contains a subliminal program which activates unconscious processes that stimulate breast growth. (Sort of like the old mantra "I must, I must, I must increase my bust.")

One of the users claims she did not believe in the effectiveness of the ring tone at first but after a week she allegedly discovered that her bust size had increased by 2.5 cm. Mr. Tomabashi plans to write other melodies for mobile phones to help people cure baldness, quit smoking and make them more sexually attractive. The theory of auditory programming is nothing brand-new whatsoever. Subliminal conditioning audio tapes for self-hypnosis or sleep therapy have been sold for over two decades. No one has ever proven that they successfully work and are not a waste of money.

## BOOB BANDITS

Munich cops say a gang named the Boob Bandits were very busy robbing intoxicated celebrators at this year's Oktoberfest. The gang hired busty barmaids to flash their boobs while another woman and a male accomplice picked the pockets of drunken onlookers. More than three million people had crowded the famous two-week brew-n-sausage festival in Munich, which was the raunchiest ever.

"It's been a wonderful festival. It's a shame that some people have to spoil it," said Oktober spokeswoman Gabriele Weishaeupl. Police had to warn male visitors to Oktoberfest to protect their wallets should any women show off their tits. All of this craziness sounds like a good opening for a *SCORE Xtra* DVD.

## *THE BEST IDEA SINCE THE INVENTION OF THE BRA?* TOPLESS HOSTESSES!

**The Innova Appliance Mart in Alexander Platz in the center of Berlin decided to have topless hostesses greet customers at the door with sale leaflets. Sounds like a topshelf idea, right? Store executives thought that eager swarms of overheated shoppers would race into the store like mice in a maze and eagerly buy stuff, suckered by the charms of exposed knockers.**

**It turns out that the customers didn't even look twice at the greeter's naked boobs and the store promotion went completely downhill. Shoppers took her leaflets, ignored her exposed chest and looked away. Talk about a bust.**

**"We thought this was going to create an uproar," a store executive told the newspaper *Berlin Zeitung*. "We thought there would be crowds clamouring to gape at her. Or that women's rights protesters would turn out to demonstrate and give us even more publicity. And now it has turned out to be a fizzle."**

**The execs slightly overestimated the breast interests of German shoppers, proving that the breast laid plans of mice and men can easily go nowhere. The only really interested parties were the media guys, horny bastards, as usual in search of a story that didn't exist.**

**"More power to her," said a female customer to a reporter. "But I'd never go so far as to go topless at work. Well, maybe if somebody paid me a lot of money, but it would have to be a whole lot." How much money, she didn't say. Another woman said she might do it if she were drunk.**

**There's so much nudity in German tabloids and magazines, and on late-night TV that no one cares anymore. A reporter for *Berliner Zeitung* observed that "The German people are used to seeing enlarged breasts and pierced penises on TV. A wholesome-looking but topless young woman at an appliance mart just cannot compete with the shocking fare people see in their own living rooms."**

## LANA DEL AMORE, ALL OILED UP FOR HER *SCORE* DEBUT.

Greetings *SCORE*-dudes and -dudettes. It's that time of the month again! The bras have come off, the tits have come out and we're starting off this month with a newcomer who not only has a great rack, but a bubble-butt-and-a-half. Her name is Lana Del Amore and she's a new dancer looking to make it big. Miss Amore is off to a good start!

SCORE DEBUT

Born and raised in Michigan, but living in our own backyard of South Beach, Lana has gone from house-dancing to featuring practically overnight. She's scheduled to tour America for the rest of 2005, and if you're into all of those Miss Nude pageants, chances are pretty strong that Lana will be there as well. A title of some sort is practically a prerequisite to becoming a feature dancer, right up there with doing some videos and being in magazines. That's why being in *SCORE* was so important to Lana, who knows there aren't many big-titty strippers in the world any more. Her dream is quite simple: "I want to travel America and shove my big tits in the faces of as many men as I can!" Now, that's a dream we can all get behind. If Lana dances as sexily as she looks in these pictures, her dream will certainly come true, and we'll all get some great tit facials.

CHECK LIST

## LANA DEL AMORE

**BIRTHDAY:** April 17, 1971
**HEIGHT:** 5'8"
**WEIGHT:** 125 lbs.
**MEASUREMENTS:** 38-24-36
**BRA SIZE:** 36F
**BORN:** Michigan
**LIVES:** South Beach, Florida
**FAN CLUB AND WEBSITE:**
www.LanaDelAmore.com

There's that bubble butt, and talk about a good one. The thing is, Lana knows she has a great ass, and she loves to show it off! "One thing I know is that tit-lovers–guys who read *SCORE*–love a great ass as much as they do a pair of tits. It's pretty obvious why. With a booty as round as mine, it's like you get an extra pair of tits to play with! Up top and down below, with me, you'll be totally surrounded in the good stuff!" Yeah, we're thinking the same thing as ya'll. We can't wait to scream, "That's Amore!" when Lana gives us a lap-dance. Welcome to The Show, Lana. Thanks for giving us a hot one!

## SHE HAD KILLER BREASTS…AND A DEADLY REPUTATION.

*Erotic Fiction by* **MICHAEL BRACKEN**

Christina casually filled the easy chair across from me, and as much as I tried, I couldn't take my eyes off of her.

"You in town long?" I asked.

"Just for the month," she said.

Christina brushed a long lock of blond hair away from her face and tucked it behind one ear. "Or until we finish this thing."

I lifted my tumbler of Jack rocks and took a sip while I contemplated the vision before me. "Are you expecting any trouble?"

"I always expect trouble," Christina said. "I've never been surprised."

I leaned forward and lowered my voice. "What kind of trouble do you expect this time?"

She leaned forward, her heavy breasts nearly spilling from the top of her low-cut sweater. She also lowered her voice, making it sultry and enticing. "What kind of trouble have you got for me?"

"He always has at least two bodyguards," I explained. "They're with him 24/7. He goes to the bathroom, and they stand outside the stall. When he goes to bed, they sit in the chair next to it."

"They like to watch?"

She'd caught me off-guard. "Watch? Watch what?"

Her emerald eyes sparkled. "Do they like to watch when he's with the ladies?"

I'm not a eunuch by any means, but I might have blushed. "I…To be honest, I'm not sure."

"Find out." Christina leaned back and carefully crossed her long, lean legs, giving me a momentary glimpse of her black panties.

I swallowed hard and shifted positions, relieving the pressure on my already stiffening cock.

"What about you?" she asked. She wet her lush, full lips with the tip of her pink tongue. "How are you with the ladies?"

I knew where this was going. I loosened my tie and unbuttoned the top button of my shirt. "There's only one way to find out."

Christina looked me over for a moment, flashed a wickedly sexy smile, then said, "There is, isn't there."

She stood and reached out. I placed my half-finished Jack rocks on the glass table beside my chair, then stood and took her hand.

Illustrations By OTIS SWEAT

She entwined her fingers with mine and led me from the hotel bar to her room on the seventh floor.

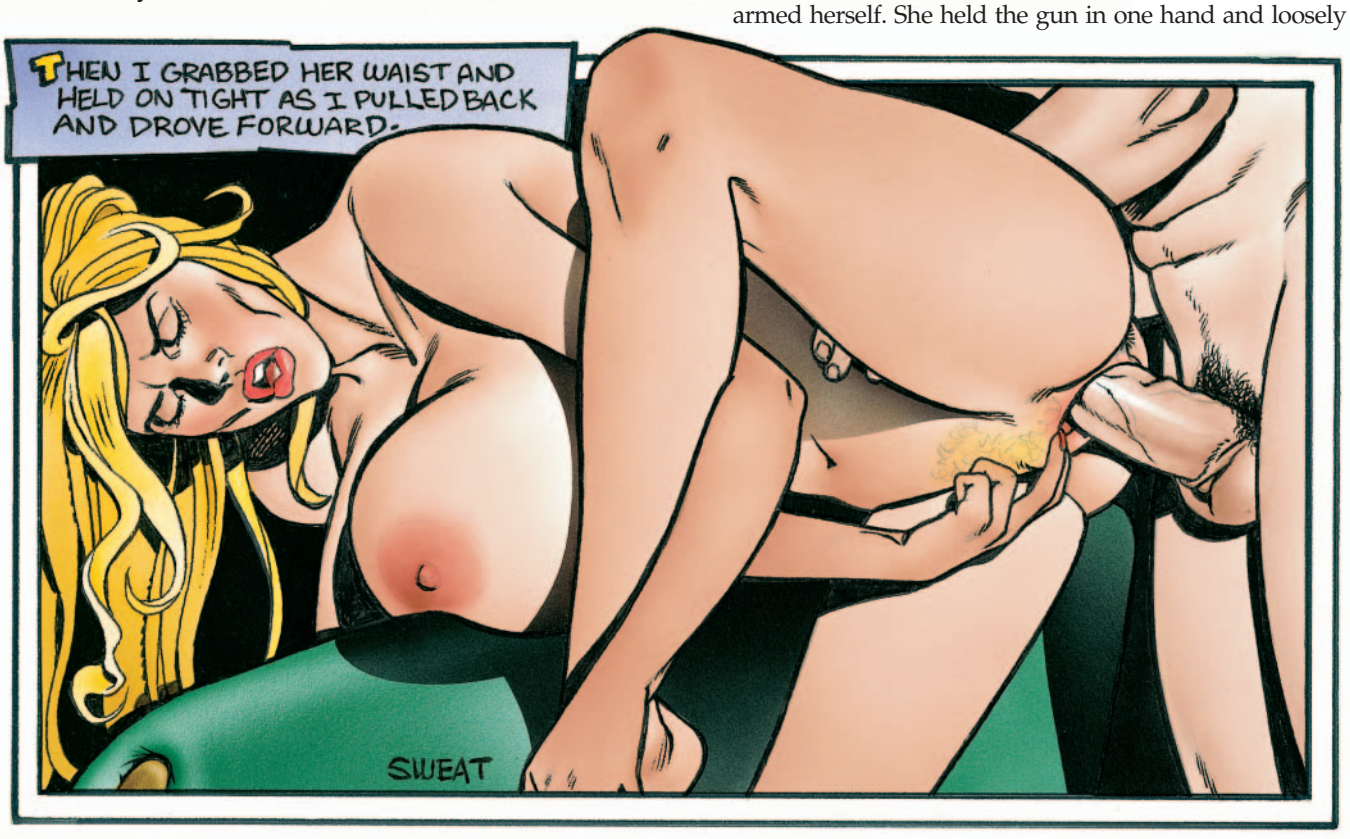
Once inside her hotel room, with the "Do Not Disturb" sign hanging from the knob outside and the deadbolt securely fastened, Christina stepped into the bathroom.

"Make yourself comfortable," she said before closing the door. "I'll just be a moment."

I unknotted my tie, then unthreaded it from my collar. I placed my tie and my jacket over the back of a chair. I finished undressing and was waiting on the bed, the thin sheet pulled up to my waist, when she stepped from the bathroom as gloriously naked as the day she was born.

Her skin was as smooth as silk–the color of honey–and she had no visible tan lines. The curly blond triangle at the juncture of her thighs appeared to have been fluffed. Her heavy breasts hung from her chest like honey-bronzed watermelons capped with palm-sized areolae and nipples as thick as .38 shells. But I didn't notice any of that until later.

What I saw first was the business end of a silencer attached to a 9mm pistol. She'd flown into the city only a few hours earlier and already had armed herself. She held the gun in one hand and loosely



aimed it in my direction. My cock deflated quickly and tried to hide. My breathing abruptly stopped and I lay there in stunned silence.

Christina laughed, then opened the closet door and tucked her pistol into her suitcase. When she looked in my direction again, she said, "It would be just that easy."

As she crossed the room to the bed, my cock began to crawl out from hiding, and I started to breathe again. "You wouldn't get the gun past his bodyguards," I said.

"Maybe I won't need a gun at all." She flipped back the bed sheet, revealing my slowly re-stiffening cock. Then Christina climbed onto the bed and straddled my legs.

I reached up and took her heavy breasts in my hands, feeling the smooth skin ooze between my fingers. I brushed my thumbs across her hard nipples, and she quivered in response.

Christina leaned forward slightly and dropped her breasts in my face, nearlysmothering me. I took one thick nipple in my mouth and teased it with the tip of my tongue. Then I did the same to her other nipple.

By then my cock stood fully erect. I'm sure Christina felt it pressing against her thigh because she reached between her legs and wrapped her fist around it. She pumped her fist up and down a few times, then held my cock as she lowered herself onto it.

The mushroom cap of my cock pressed against her pussy lips, and then slid between them. Her pussy was already slick with desire and soon my entire length was deep inside her. She moaned softly as she began moving her hips forward and back.

I wrapped my arms tightly around Christina's back and held on as I rolled us across the king-sized hotel bed. I was on top of and still deep inside her when we stopped rolling. I braced myself on my hands and looked down at her. Her naturally heavy tits had slid to each side and her emerald green eyes sparkled.

"Fuck me," she whispered. "I want you to fuck me…*hard*."

As I pulled back and drove forward, she placed her feet flat in the bed, her knees pointing at the ceiling, and thrust her hips and pussy up to meet each of my powerful thrusts.

We fucked hard, and we fucked fast, our hips slamming together again and again and again.

Christina came first, her entire body stiffening violently for a moment as she let loose a high pitched scream of ecstasy. Then she reached down and grabbed the cheeks of my ass, pulling me tightly against her.

That's when I came, filling her hot box with a thick wad of spunk.

*"It looks like they worship the same thing as us."*

Like a fallen oak, I collapsed on top of Christina and remained there until I could catch my breath.

After I rolled off of her, Christina shifted positions. She buried her face in my crotch, taking my flaccid, cum-covered cock in her mouth. As she licked it clean, my cock slowly regained its full length. She cupped my balls in her hand and kneaded them together as she bobbed her head up and down in my lap.

I couldn't stop myself, and before long I shot my second wad of spunk against the back of Christina's throat. She eagerly swallowed every drop.

When my cock finally stopped spurting, Cristina released her oral grip and repositioned herself to lie beside me.

I glanced at her and smiled.

This job was proving to have unexpected benefits.

The next day I moved Christina out of the hotel and into a furnished townhouse that had been rented under an assumed name. It had taken me a few months to put everything together for her arrival, and now it would be Christina's responsibility to finish the job.

"This'll do," she said after I walked her through the place.

I handed her the keys to a Mercedes SL parked in the garage. "I'll check on you this evening. If you need anything else, phone me." I gave her my cell phone number.

"I'll be fine," Christina said. She walked me to the door, pressed one finger to her lips and then pressed her finger against my lips. I tasted a hint of her lipstick. "You just be ready to take care of me when you get here."

My cock twitched, and I wanted to take care of her right then. She obviously had other ideas because she pushed the door closed, and I heard the deadbolt snap into place.

I spent the next few days completing the arrangements and the next few nights fucking Christina. She seemed insatiable. I'm not sure how she spent her days, but I checked the odometer on the Mercedes every evening, and it was obvious she did a fair bit of driving. I never asked her about it because I knew she was a professional.

On the fifth night after Christina's arrival, I took her to a charity ball where I introduced her to the target. As always, his bodyguards were at each elbow, eye-

# Luscious Lorna

## THERE'S ONLY ONE WORD TO DESCRIBE HER...

Perfection! Yes, it's time for our yearly Lorna Morgan fix! Man, we gotta change that in 2005. Only seeing this *SCORE* living legend once a year is a freakin' shame! Once a day or once an hour is more like it. But, you know what they say, "Absence makes the heart grow fonder." In our case, it makes us a whole lot *harder,* too!

A superstar the second she took off her bra back in 1999, Lorna has been a fixture for slim-n-naturally-stacked, hourglass perfection, arguably without peer. And, that's just from her pictures. Once you experience her seductive sex appeal in person or on video, hand over your heart boys, 'cause it officially belongs to Lorna. Super charming, with a soft, Welsh accent, she had a hundred guys in love with her on Boob Cruise 2000, and when she came to Florida for her *On Location Key Largo* video, it was more of the same. Editors, art directors, warehouse guys, the office cat…Everybody loves Lorna Morgan, and they always will.

This is the first year in ages that Lorna isn't up for *SCORE's* Model of the Year, and seeing her here today, wow, the competition for that award must be out of this world. It is, but the truth is, Lorna hasn't been posing like she used to, and she quit her part-time job at a lap dance club. Now she concentrates on her regular six-days a week consulting job. Plus, Lorna the Workaholic has been focusing on her website more and posing for magazines less, which makes these pictures of Lorna even more special. Like it is with all great ones, you never know when the party will end. Thankfully, Lorna still loves posing, and like she has said, "I model because I like it. The day I stop enjoying modeling is the day it will end for me." We are all hoping that day won't come for a long time.

# TIT TALK WITH THE GUNNS

**Interview By DAVE ROSEN AND ELLIOT JAMES**

From B-cupper to D-cupper to *SCORE's* 2002 Newcomer of the Year. Crystal Gunns has come a long way since being a timid housedancer, and she's here to tell you just how far.

***SCORE:*** Okay, just sitting here staring at you, I don't know what to ask! Since this is the first time we've interviewed you, and we're both kind of sitting here drooling, why don't we just start at the beginning? Like, when were you born?

**CRYSTAL:** March 20th, 1976 in the Bronx, New York.

***SCORE:*** The Bronx? Are you a New York Yankees fan?

**CRYSTAL:** I'm mad at them.

***SCORE:*** Why are you mad at them?

**CRYSTAL:** Because they traded Petitte.

***SCORE:*** Is he the kind of guy you go for? A guy who looks like Andy Petitte?

**CRYSTAL:** No. I don't think he's good looking. I just think he's a good pitcher.

***SCORE:*** So, you're actually a real sports fan. You don't just go there to check out the guys' asses and bulges?

**CRYSTAL:** No.

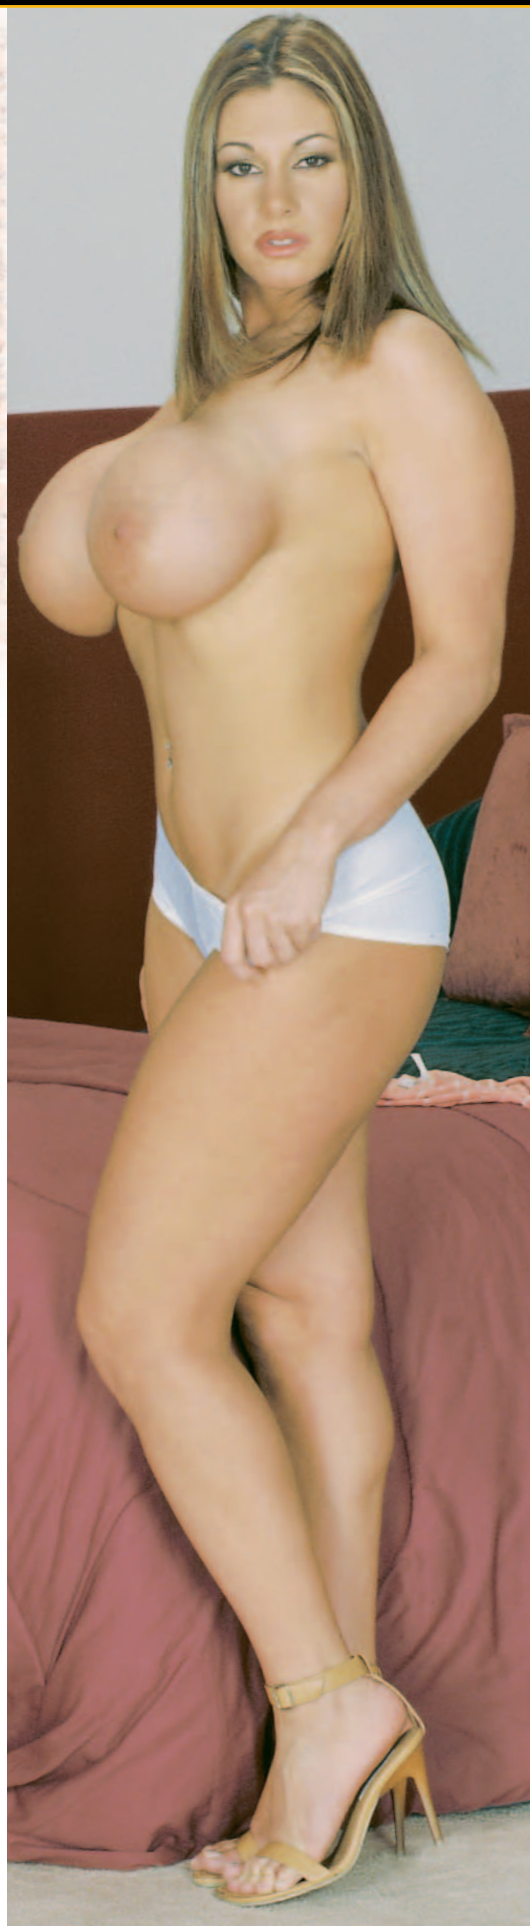
***SCORE:*** So, were you from a tough area of the Bronx or a nice area?

**CRYSTAL:** Ummm…When I was born it was a nice area, then it got bad so we moved to Queens–Woodhaven–and then Middle Village.

***SCORE:*** Would you describe yourself as a city-girl?

**CRYSTAL:** Yes.

***SCORE:*** Are you a tough girl?



**CRYSTAL:** Depends who you ask.
***SCORE:*** What if we ask you?
**CRYSTAL:** Well, I'm Puerto Rican and Italian, so sometimes I guess I can have a bad temper.
***SCORE:*** That's a volatile mix. Growing up, did you get into a lot of fights?
**CRYSTAL:** Not growing up, but in high school I got into a lot of fights.
***SCORE:*** Over what?
**CRYSTAL:** I went to an all-girl, private school and it was mostly Black and Hispanic. For some reason everybody thought I was a little white girl, so I would get jumped every day.
***SCORE:*** Jumped? So they would actually attack you?
**CRYSTAL:** Yep. On the train. So, I got out of that school pretty fast and went to another school.
***SCORE:*** At this all-girl school you were talking about, was there a lot of girl-girl action going on between classes?
**CRYSTAL:** (Laughing) No, but there were some lesbians there.
***SCORE:*** Did they ever hit on you?
**CRYSTAL:** No.
***SCORE:*** But there was some girl-girl going on at the school?
**CRYSTAL:** I don't think it was going on at the school, but there definitely were some lesbians there.
***SCORE:*** Were you a tom-boy?
**CRYSTAL:** No.
***SCORE:*** You were a girly-girl.

**CRYSTAL:** Yes.
***SCORE:*** In what way?
**CRYSTAL:** Cheerleader. I was a cheerleader from probably the fourth grade until college. And I played volleyball and basketball and tennis and liked ice skating and horseback riding.
***SCORE:*** So, you were quite an athlete, bouncing around the basketball court?
**CRYSTAL:** Yeah, but I sucked at basketball. I was more worried about my nails, so I was always getting benched.
***SCORE:*** Did you have male teachers at this all-girl school?
**CRYSTAL:** Yes.
***SCORE:*** How did they treat you?
**CRYSTAL:** Like everybody else. But, I was always getting in trouble.
***SCORE:*** Why?
**CRYSTAL:** When I was getting jumped all the time, I just stopped going to school. I would stop going for a week and then my mom would find out and make me go.
***SCORE:*** The reason Elliot was asking was because he really wanted to know whether the male teachers were checking you out?
**CRYSTAL:** No. They did more when I went into the public school. My English teacher was really into me.
***SCORE:*** How did you know?
**CRYSTAL:** I saw the hints when I was in school, and when I graduated he just came up to me and told me. After the final we talked. He was young, though. Real young, like 29-31. We didn't go out, though. He wasn't my type.
***SCORE:*** Boy, can you imagine if he is a *SCORE* reader?
**CRYSTAL:** And he sees me now? That would be embarrassing.
***SCORE:*** Nah, it would be great. He would be sitting there, jacking and… Whoa…Crystal, you just made a face when I said the word "jacking." What word or phrase do you prefer?
**CRYSTAL:** He's spanking it off. He's spanking the monkey!
***SCORE:*** There you go!
**CRYSTAL:** That's what the guys usually tell me at the clubs…"I spank off to you all the time, Crystal!" So, I'd rather hear that word, spanking, then jerking off.
***SCORE:*** When you hear that, Crystal, that guys are spanking to you, what goes through your mind?
**CRYSTAL:** Honestly, it bothers me a little

bit. I always wonder why they can't say something more seductive than, "I'm spanking off to you"! I wish they would say it nicer like, "I enjoy your photos," or "I enjoy your movies," or…

***SCORE:*** I fantasize about you…

**CRYSTAL:** I would like that much better.

***SCORE:*** How about, "I pleasure myself!"

**CRYSTAL:** (Laughing) That's not bad. I like that. That's better than, "Oh god, I jerk off to you every night."

***SCORE:*** If saying, "Crystal, I love you. I jerk off to you every night!" is not the way to your heart, what is?

**CRYSTAL:** Just a real nice person. A genu-wine…Oh my god. Did I say a "genu-wine" person? I meant genuine. Sorry. I have big boobs. Not too much brains, but big boobs!

***SCORE:*** Is that true?

**CRYSTAL:** I don't know. I'm a little slow sometimes. I'm street smart, not book smart. I never did that good in school, although I did graduate from high school six months early. It did take me five years to graduate from a two-year college, though, but I did it.

***SCORE:*** Let's go back to street-smart. What does street-smart mean to you?

**CRYSTAL:** Well, I travel a lot, so you have to know. Being on the road, you have to be careful and be one step ahead every time because you never know. I travel 40 weeks out of the year, so I'm always on the road.

***SCORE:*** So, do you like that kind of nomadic life?

**CRYSTAL:** It has its ups-and-downs. Some clubs you go to, the management, the girls, everyone makes you feel right at home. And I like to do a lot of sightseeing. But, I do miss being at home.

***SCORE:*** Where have you been?

**CRYSTAL:** All over. Canada, Florida, North Dakota, Texas…

***SCORE:*** San Francisco?

**CRYSTAL:** I won't do San Francisco.

***SCORE:*** I was wondering about that.

*"Mom, when I grow up, I want to look just like her!"*

**CRYSTAL:** Too explicit. And I don't do private dances, so I won't go there.

***SCORE:*** So, when we go to see you at a club, what might we see?

**CRYSTAL:** Oh, I have great shows. I have a milk show, candle wax, paint shows, water shows, candy shows, cookie-n-cream shows and…

***SCORE:*** These involve smearing your body with different substances?

**CRYSTAL:** Yes. I've found that guys care less about your costume or your make-up or your body, but the more involved they feel, the more they like it. I've been dancing almost four years, and it took me two years to really figure that out.

***SCORE:*** Now, Crystal, you're saying exactly what I've been saying for years. All of these dancers have these big, fancy costumes, but guys like me just don't give a shit.

**CRYSTAL:** Nope. All they really want to see are my tits.

***SCORE:*** Nobody gives a shit about the costumes and the show. They just want to see you naked.

**CRYSTAL:** Exactly. And the more you play with them–the guys–the happier they are.

***SCORE:*** What is cookies-n-cream?

**CRYSTAL:** I do my little-girl act. Then I put whipped cream on my…ummm… cootchie. Can I say cootchie?

***SCORE:*** Sure, say whatever you want!

**CRYSTAL:** Okay, I put cream on my cootchie, then I take an Oreo cookie and put it right in the middle, and a guy comes onstage, and I put his head down there then smash his head into the stuff. Then, he eats it.

***SCORE:*** Are you wearing any panties?

**CRYSTAL:** No.

***SCORE:*** So, this guy is getting pretty close, huh?

**CRYSTAL:** Yes.

***SCORE:*** Crystal, you've come a long way in a couple of years. When we first met, you wouldn't even do a video.

**CRYSTAL:** No. In fact, my first video was with *SCORE.* Honestly, I didn't think I was going to get through it because I was so nervous, but the second one was easier and a lot of fun.

***SCORE:*** The dildo thing was kind of weird, wasn't it?

**CRYSTAL:** Yeah, it was hard for me.

***SCORE:*** But, now you've kinda gotten used to it?

**CRYSTAL:** Yeah, finally. Now, I do my dildo shots and it's like, "Oh, great, my dildo shots." And it just stays in there,

# HERE COME THE T-CUPS!

## SOME OF THE BIGGEST TITS IN THE WORLD!

For those of you incommunicado last July, this is Keisha Evans and these are some huge tits! If there's a gal who needs less words to intro her, she doesn't live on this planet. T-cups! *Nuff said!*

Sadly, where we should all be resoundly celebrating Keisha's posing in *SCORE,* her appearance in the July '04 issue wasn't without controversy. Where about 90% of ya'll wrote in praising Keisha as the living, breathing big-tit goddess she is, there were some of you who wrote the SCORECard bitching about silicone and stuff like that. Guys. What the fuck is wrong with (some of) you? The way we see it, if God didn't give a woman big tits, he gave us the technology to make 'em big. And it takes a special kind of woman to take the plunge. A special woman like...Keisha.

An Internet superstar for the past couple of years, it took some gusto for Keisha to appear in a nudie book for the first time. Inherently shy and admittedly sensitive, Keisha didn't know if she was ready to bare her boobs (and her soul) in a men's mag. However, when it came time to get nekkid, there was really only one choice for Keisha: *"SCORE* is #1 in big boobs, so why would I pose anywhere else? I want to thank all of the guys for the wonderful things they said about me. I was always really worried about it [posing], but seeing the readers' letters made it all worth while. Thanks, guys! You made my life." Let this be a lesson to everybody out there…If you don't have something nice to say…

so, they're great. Peter Wall [photographer] was very happy with me today because my muscles down there are getting really strong, and I just held the dildo in. I love you guys and only shoot for *SCORE.*

***SCORE:*** Okay, go back to life at the club. You don't lapdance.

**CRYSTAL:** No. I do air-dances where I am over the guy, but not lapdances.

***SCORE:*** You don't like them?

**CRYSTAL:** No, it's not that. I just don't like to take money away from the girls at the club. I'd rather keep the girls at the club happy with me than hate me. I'd rather just hang out with the guys at the clubs. I have such great fans. The majority are great, great people, and I'm good friends with a lot of them. I actually have fans who come to my house.

***SCORE:*** You told me once that you were a great cook.

**CRYSTAL:** I'm an excellent cook.

***SCORE:*** What's your specialty?

**CRYSTAL:** Probably home-made sauce.

***SCORE:*** An Italian thing?

**CRYSTAL:** Yeah, but I make lots of things, and I like big dinners. I cook huge turkey dinners for Thanksgiving and big Christmas dinners.

***SCORE:*** So, basically you're like the perfect girl? Big boobs, good personality, and you cook. Can I take you home?

**CRYSTAL:** I don't know, can you?

***SCORE:*** I wish. Let's go back to the beginning. You graduate high school, how do you get involved in dancing?

**CRYSTAL:** I was in upstate New York attending community college. I had a girlfriend who had a nice car and money, and I asked her how she got all of it. We were only like 18-19 at the time, and she told me "I dance." I was like, "What do you mean?" The first club I ever went to was The Blue Moon Lounge. She brought me there and I auditioned and danced. I think I made like $30 the whole night and I was so excited. Making $30 or $40 a night was a lot of money so it was great.

***SCORE:*** How long were you there?

**CRYSTAL:** I was on academic probation from college, so I guess I danced there for a year-and-a-half and then moved to Florida.

***SCORE:*** That first night at the club, what did you think?

**CRYSTAL:** I was so nervous.

***SCORE:*** Blue Moon was topless only?

**CRYSTAL:** No, completely nude.

***SCORE:*** Nude?!? Let me ask you, did you do what girls in this business call… "floor work?"

**CRYSTAL:** No, I didn't know anything about floor work.

***SCORE:*** For all of you who have never been there, the clubs in upstate New York tend to be quite…neighborly.

**CRYSTAL:** Yes, they are.

***SCORE:*** I'm going to guess your boobs weren't as big then as they are now?

**CRYSTAL:** No. I was a small B-cup.

***SCORE:*** You're not really a very big girl, body wise. You have a small waist and you're not big-boned. Were big boobs something you admired?

**CRYSTAL:** No. Not really.

***SCORE:*** And you had never heard of *SCORE* magazine at all?

**CRYSTAL:** No. I hadn't heard of any magazine, really. The only one would probably be *Playboy.* I didn't know anything about this industry. I knew nothing about big-busts or porn stars.

***SCORE:*** So, when did you decide to get bigger and why?

**CRYSTAL:** When I was in Florida, I learned about feature dancing and decided that I wanted to do it. It's actually a funny story. Cindy Cupps and I were and still are friends. Her boobs were so big that I decided to get big boobs, and we were going to be a duo act and call ourselves The Atomic Bombs. She decided not to do it, and I was stuck with these huge boobs, so I decided to feature. This was almost four years ago. At first, I went to a D-cup, then I got bigger.

***SCORE:*** Because you figured there was more money in it?

**CRYSTAL:** No. When I went to a D-cup it was for more self-esteem. I just didn't like my small boobs, and I had low self-esteem. In fact, getting bigger boobs didn't translate into any more money.

***SCORE:*** What did bigger boobs do for

## HERE CUMS ONE WILD RIDE!

SCORE DEBUT

Before we get started with Big-Tit-Dom's newest housedancer, ladies, please, if you're out there thinking about grinding on laps, any name but…Mercedes. There are just too many of them. How about Shir Khannette, Queen of the Jungle. "I was thinking about that!" Mercedes told us. "But I figured I'd go with what was on my birth certificate." Ooops. Ummm, welcome to *SCORE*…Mercedes!

Yeah, we put our foot in our mouth when we first talked to Mercedes, but, hey, that's the life of a guy. What's the life of this lovely lady like? She's a So-Cal housedancer by night, part-time student by day, and a sexy babe 24/7. As for regular gal stuff, this Mercedes digs BMWs, geeky computer type nerds, watching *The Amazing Race* and *Big Brother*, spending Friday night at home with some microwave popcorn (Act II Butter Lovers is her fave) and movies that run the gamut from *The Sure Thing* to *Shakespeare In Love*, and, what are we forgetting? Oh yeah, posing nude. "As hot a time as you can get without having sex!" Ain't that the truth?!?

you, personally?

**CRYSTAL:** Like I said, they gave me more self-esteem. And a bigger bra to fill out. And a bigger dress! Now, I wasn't flat, but B is pretty small. I wanted to have a little something on top.

***SCORE:*** That must have been a big change. New clothes, new bras…

**CRYSTAL:** Oh my god. I remember my doctor telling me that I couldn't do anything for two weeks. No driving. No anything. I was out the second day in the mall shopping, trying on new clothes. I was so excited. I wanted to show them off.

***SCORE:*** Did your bigger breasts make you more out-going?

**CRYSTAL:** No, just more self-esteem. It was like now I looked good and I could wear this because I felt good about myself. I don't think I became more caddy. It was more just for appearance. I wanted to look better.

***SCORE:*** So, you liked the attention?

**CRYSTAL:** Yeah, I can't lie. I did. I loved it. It really was more for myself than anything else.

***SCORE:*** You met Cindy at a club called T&A in Muncie, New York. How did you two hit it off?

**CRYSTAL:** I don't think we really hit it off at first. Cindy is a really sweet girl. She's very quiet and innocent. I'm more of a loud person, at least in a club. I'm more of a gossiper, and Cindy was more to herself. She was very quiet. She never talked to anyone unless you talked to her.

***SCORE:*** She's still very quiet.

**CRYSTAL:** Yes, she is. We've known each other nine years now, and I'll call and she'll be like, "Hi." She'll say like three words. I read your interview with her where she said we had like a love-hate relationship. One minute we're friends, the next we're fighting. That's exactly how it was. Cindy hit it right on the nose.

***SCORE:*** But, you're still very close.

**CRYSTAL:** Yes. We weren't that close in the beginning. We didn't get close until she moved to Florida. I would come down and stay at her house, and she helped me with everything. I guess that's how we became closer. Our fighting really wasn't her fault, though, because I was a troublemaker. I can't

**PREVIOUS *SCORE* APPEARANCES:** March '05 (XXX in *SCORE Xtra*), Feb. '05 (Video Review of *Zuzanna's Hardcore Hooters*), Jan. '02, July '01

**VIDEOS:** *Zuzanna's Hardcore Hooters* (XXX-Rated with anal, available on VHS and DVD in the Video Club on page 98 of this issue); *Zuzanna's Anal Rampage* (XXX-Rated, available online at www.eBoobStore.com)

Now with her latest anal video *(Zuzanna's Hardcore Hooters)* rampaging up the hardcore charts, the one thing we had to ask Zuzanna was about that anal fixation of hers. "I'm not fixated at all. I just like it in my ass. It feels good. Isn't that what sex is all about?" She does make a good point, and if you guys ever get the opportunity to talk to Zuzanna, chances are the topic of sex won't even come up. "No, that's for movies or for the bedroom. When I'm not having sex, I'm actually very shy. Some people think that in my spare time I bungee jump with three guys penetrating me. But, really, I just like to go to cafes and read on a cool spring day or spend the whole afternoon at a museum. I'm as normal as women come." But, Zuzanna, when your clothes come off… "Then, yes, I do get a little wild and crazy." The understatement of the year. Anybody who has seen Zuzanna's videos knows that's a fact.

lie, I was a big-time troublemaker.

***SCORE:*** What could you do that would be so awful?

**CRYSTAL:** I was young, and Cindy was a bit older than me. I was just immature and would start trouble. I'm surprised she didn't say that in her interview, but she's a class act. I'm actually glad she didn't and left it for me to say. I got her into a fist-fight one time. I was bad. Now, we talk all the time and I visit all the time. You know, we've known each other for nine years, but we really never knew each other until about five years ago. Now, she's my buddy.

***SCORE:*** But you've never done any real girl-girl sex?

**CRYSTAL:** No.

***SCORE:*** Would you ever?

**CRYSTAL:** If I was to do a girl-girl, Cindy would probably be my first pick, or Chelsea Charms, because those are my two best friends in the business. But I would have to think about that one. I know Cindy wants to do one. She's always telling me, "Let's do a girl-girl!" I still have to think about it.

***SCORE:*** Do you have any tendencies towards girls at all? Have you ever had sex with a girl?

**CRYSTAL:** Yes. I tried it out when I was 18. Do I like girls? You know, I think it's more of a fantasy. Would I do it behind closed doors? Probably. Would I do it on camera? No. And now you're going to ask me why? Being a feature, your life is out there and your body is out there so much, you just want some things to be personal and private. That's just the way I see it. And, let's get off the subject now, okay?

***SCORE:*** No problem. Crystal, do you speak any second languages?

**CRYSTAL:** Spanish. My father was from Puerto Rico and my mom is from Italy.

***SCORE:*** Where do you buy your bras?

**CRYSTAL:** I go to Macy's. They have Balis. Great bras. They come in F's and they work great for me. I usually buy a FF and they're great for me.

***SCORE:*** But girl-girl sex isn't? Just kidding. We want you to love us.

**CRYSTAL:** I do love *SCORE.* You guys are the best.

***SCORE:*** We can't think of a better way to end it than with that statement. Thank you Crystal. You're the best.

**CRYSTAL:** Thank you.

## FROM DUCKLING TO SWAN AND NOW A *SCORE*-GIRL!

SCORE DEBUT

This one's for all of you lonely rangers out there, watching shitty cable TV at two in the morning, thinking, "Man, if I could only have a nice, pretty girl to share my infomercials with." Well, boys, Alexis Silver is here, and you'll never go lonely again! Hi, ho silver, and away we go.

## CHECK LIST ALEXIS SILVER

**BIRTHDAY:** October 27, 1979 **HEIGHT:** 5'4"
**WEIGHT:** 121 lbs. **MEASUREMENTS:** 38-24-34
**BRA SIZE:** 34D **BORN:** Boston, Massachusetts
**LIVES:** London, England

Born and raised in Boston, but now living in England, Alexis knows what it's like to suffer. She's been a Red Sox fan her entire life, and now she has to wait until 2080 until their next championship. Plus, when she was growing up, this Anglo-African was made fun-of because of her heritage and, in Alexis' own words, because she was "the fat kid at school. I never had a date in high school. I had to go all the way to England just to meet boys." It's almost like one of those teen, feel-good flicks you see at the theatre, only Alexis Silver's story is true. The duckling has become a swan, only this beautiful bird does have some bite. "I want all of the boys who used to make fun of me to see what they missed. I'm not the fat kid anymore. See ya." Wouldn't want to be any of "ya."

## THE PROFESSIONAL

*Continued from page 34*

ing me suspiciously while the target appeared to have become lost in Christina's cleavage. I understood the attraction, having visited it nearly every night since her arrival.

The target looked as handsome in person as he did on television, with salt-and-pepper hair always neatly in place and stone-chiseled features that made women's knees weak with desire. His piercing blue eyes smoldered with wolf-life hunger. He was a man accustomed to getting everything he set his eyes on, and my employers had decided that it was time to corral his activities. That's why I'd hired Christina, a bountiful babe with a killer reputation.

I stood back and let them speak privately. I'm not sure what they said, but Christina's eyes sparkled and she nodded and laughed at seemingly appropriate times. Then he reached for her hand, brought it to his lips, and kissed it.

"Oh!" she exclaimed in a girlish rush of breath. The eyelash batting and sexual coyness she was showing the target wasn't anything like the insatiable sexual being with whom I spent my nights.

"Until we meet again," he said. He stared deep into Christina's eyes. "And we shall meet again."

Christina and I drifted around the ball for another couple of hours, not leaving until the target and his bodyguards had been gone at least half an hour.

I drove Christina to her townhouse and parked at the curb.

"Come upstairs," she said.

As soon as we were inside with the door locked behind us, Christina unfastened the top of her backless evening gown. The front dropped away, revealing her massive mammaries. Her nipples already stood at attention.

I didn't hesitate. I pulled her into my arms, crushing her heavy breasts against my chest, and I grabbed the cheeks of her ass and pulled her crotch tight against mine. Then I covered her mouth with mine, thrust my tongue into her mouth, and we kissed deep.

Then, having moved only from the foyer into the living room, we stripped off our clothes. I turned Christina around and pressed against her from behind, my cock fitting snuggly in the crack of her ass.

I reached around and took her

breasts in my hands, feeling her nipples press against my palms. I kissed the back of her neck and her shoulder. As I did that, I let one hand drift over her abdomen and down to the soft puff of blonde pubic hair. My finger trailed lower, and I stroked her swollen pussy lips with my finger.

"Stop teasing me," Christina whispered. She bent forward, leaning over the back of the couch, and thrust her ass against my crotch.

I pulled back and pressed my hard cock into her sopping wet pussy from behind. Then I grabbed her waist and held on tight as I pulled back and drove forward. She forced a hand between her thighs and began stroking her clit with her fingertip. I could feel it with each stroke of my cock.

I pounded into her repeatedly, and then we both cried out as I fired a thick wad of hot spunk deep inside her spasming pussy. I held on until my cock softened and slid free. A moment later, Christina straightened and led me into the bedroom where we fucked again.

Afterward, as we lay together in the dark room, I told her what I had learned earlier that day. "His bodyguards stand outside the door when he has a lady visitor. He never has the same lady twice. He says he wears them out. They say he takes something to stay hard all night."

Christina smiled. "This one will be no problem–easy, real easy."

Two nights later, we dined at the same restaurant where the target was meeting with his business associates. We made sure he noticed us and halfway through our meal, he sent a bottle of wine to our table. Christina blew him a kiss.

That weekend, we crossed paths with him at another charity event.

He approached our table after the band had taken the stage. "You don't mind if I steal your woman away for a few minutes?" he asked as if he already knew the answer.

He led Christina to the dance floor, and they moved together through three songs before he returned her to my side. She'd been pressed up against him the entire time, her bountiful body molding itself to his.

"You'd best keep a tight leash on this one," he said. "Or she'll get away from you sure as I'm breathin'."

"No need," I told him as I dangled the hook between his hungry, horny eyes.

"We're just friends."

"Friends, huh? Is that so?" He looked at Christina again, and his eyes twinkled, the wolf-hungry look smoldering behind the twinkle.

A small dinner party brought us all together less than a week later, and I arranged to have my cell phone ring halfway through the meal. I apologized to our host and excused myself to take the call.

When I returned to the dining room a few minutes later, I again apologized to my host and explained that I had a personal matter to attended to. I offered to take Christina home.

The target interrupted. "There's no need to spoil the young lady's evening," he said. "If she doesn't mind, I can escort her home at the end of the evening."

He turned to Christina.

She glanced from me to him and back. She said to me, "If you don't mind?"

"Not at all," I said. I thanked our target for his generosity, then apologized again to our host and made my exit.

I went home, watched an old movie, and waited until Christina phoned at two a.m. to give me an update.

"The hook is set," she said. "He's taking me to dinner on Friday."

"You need me to do anything?"

"No, I'm fine," she said. "Trust me, I have everything I need."

Friday evening I parked down the street from Christina's townhouse at a quarter till six and watched as the target's black limousine pulled to the curb precisely at six o'clock. One of the bodyguards walked up to Christina's door, and a moment later he escorted her to the limo.

As soon as I was sure they were away and weren't coming back, I let myself into the townhouse and waited.

Although I was lying in bed, I was still awake when Christina returned just shy of three a.m.

She slipped in beside me and whispered. "It's done."

I wanted to know about Christina's evening, but I was reluctant to ask. She must have sensed my interest.

"I only took a small purse," she explained as she snuggled up beside me, "and his bodyguards dumped everything out of it. I didn't have much–lipstick, a tampon, some money for a cab. They opened the lipstick and made me put some on. Then they shoved every-

thing back in the purse, patted me down with more enthusiasm than necessary, then escorted me into his room."

He was standing at the window, staring at the street 18 floors below when Christina entered. He wore blue silk pajamas, she said, and he smelled fresh from the shower.

"Aren't you afraid?" she asked him.

The target turned towards her and smiled. Then he tapped the glass with his knuckle. "Bulletproof."

The bodyguard stood at the bedroom door. "Anything else, sir?"

"I think we have everything we need," he said.

The bodyguard backed out of the room and closed the door. Christina heard the lock snap into place.

"You're even more beautiful than I remembered," he said.

She smiled demurely.

He stepped across the room and took both of Christina's hands in his. He kissed the back of one hand and then stared directly into her eyes, the smoldering fire in his gaze momentarily captivating her. He said, "We both know why you came tonight, don't we?"

Christina nodded.

He reached behind her neck and unfastened the clasp of her black dress. She shook it off her shoulders, and the gown slipped down, exposing her heavy breasts, the material catching at her hips. He took her breasts in his hands, brushing his thumbs across her rapidly stiffening nipples.

"I want you," Christina whispered hoarsely through half-lidded eyes.

He smiled. "As I want you."

He wrapped one arm around her waist and pulled her close, crushing her breasts against his chest. Then he covered her mouth with his and kissed her hard and deep. She felt his thick cock pressing against her abdomen through the thin material of their clothing and she expressed approval.

"I can go all night," he whispered into her ear.

"So can I." Christina stepped away from him and kicked off her black pumps. She slid out of her dress and stepped out of her black thong. She hadn't worn anything else, and she stood naked before her target.

A wolfish smile crossed his face, and Christina knew he wanted her.

She dropped to her knees and pulled his cock free from his pajamas. She took the mushroom cap in her mouth and teased it with her tongue while she pumped her fist up and down his stiff shaft.

"You're not very shy, are you?" he said. He held the back of Christina's head and began pumping his hips back and forth.

Just when she thought he was about to orgasm, she released her oral grip on his cock and pulled her face away. "Not yet."

"You're a tease."

She stood and grabbed her purse. "I'll return in a moment. You'd better save up your energy."

She stepped into the bathroom. After flushing the toilet, she returned to the bedroom. He was waiting on the bed, his silk pajamas folded neatly over a chair. His hands were clasped behind his head, and his cock still stood at attention.

She placed the clutch on the nightstand and then joined him on the bed. He immediately rolled onto her, pin-

ning her to the bed, his cock pressed against her thigh.

"Fuck me," she said as she spread her thighs apart and brought her knees up. "Fuck me hard."

He did, driving his cock into her in one smooth motion and then pulling back and shoving forward again and again and again. She wrapped her legs around the small of his back and thrust her hips up to meet each of his powerful thrusts. Her heavy breasts bounced every which way.

He came with a deep groan and a long shudder and then rolled off of her. His cum-covered cock remained rock hard, and it pointed at the ceiling. She pretended she hadn't examined his bottle of blue pills in the bathroom and didn't know from where his remarkable stamina had come.

She straddled him and took his cock into her slick pussy. Then she leaned forward and hung her tits in his face while she rode him. Before long, he came again.

Then he took Christina from behind, pounding into her as he knelt on the bed behind her.

She finished the story by telling me how she'd left him sprawled across the bed, finally satiated.

"He didn't even kiss me good-bye," she said. "One of the bodyguards brought me home. He tried to slip me a couple of hundred, but I refused. What kind of a woman did he think I was?"

My cock had grown stiff while I'd listened to Christina's story, but I figured she was too tired to deal with my advances. I thought about everything she'd told me.

The target's own vanity would kill him. His desire to be perceived as a stud had him popping pills for increased stamina. He would never notice the extra pill Christina had slipped into his pill bottle while the flushing toilet masked the sounds of her activity.

There was one thing I didn't understand. "So how'd you get the pill into the room?"

"In the tampon," she explained. "There's not a man alive that'll examine a woman's tampon."

Later that morning, we fucked one last time. This session, Christina straddled me when I was still fast asleep, taking advantage of my morning wood. I woke quickly and I grabbed her waist, holding on tight as Christina bucked wildly. Her breasts slapped against her chest, and she cried out more than once before I came. When I did, she collapsed on top of me.

Then I drove her to the airport. I watched as Christina checked her bags and then walked through the metal detector without a hiccup, her 9mm unused during her visit and already discarded. After she gathered her purse and carry-on bag, she turned and blew me a kiss. Then she disappeared into the crowd. I wired half a million to her offshore account, but I never saw her again.

Two days later, the target died after playing hide the sausage with a voluptuous brunette while both of his bodyguards looked on helplessly. The news reports all said he died of a heart attack caused by strenuous physical activity, but I knew better.

After all, I only hire the best.

# HARMONY SWEET

## SWEET? HELL, THIS GIRL IS PERFECT!

Yes, boys and girls, this is the last babe of the book, and with all due respect to every other girl in this issue of *SCORE*, Harmony Sweet may very well be the best of the month. Hey, that's not your trusty, crusty *SCORE* editor speaking. We've been counting the votes for 2004 Newcomer of the Year, and that's what you and your fellow readers have been saying!

She was almost an after-thought in 2004, what with all of the awesome debutantes, but few gals did more in *SCORE* than Harmony. With three magazine appearances (one XXX) and two videos, including her hardcore debut, this girl was made to be in pictures. All-natural and totally curvy, they just don't get any better than Harmony. Okay, so that last statement was by *SCORE's* editor. Objectivity be damned. We know a good gal when we jack to her! And Harmony is just that, and then some.

The classic girl-next-door, Harmony is conservative in real life and super horny in the sack. Hell, we had to tell her when her hard-core pictures were going to appear in *SCORE* so she could buy all of the copies at her boyfriend's newsstand. He still hasn't found out she's posed or done video, and Harmony has kept her secret well. "I'll tell him eventually. For now, it's just my little secret. After all, good girls have to be a little bad sometimes, don't they?" Oh yeah, Harmony, in fact, the badder the better, and few are badder than you.

## THE ULTIMATE CLEAVAGE-FUCK

MINKA XTRA 2

BRANDY DEAN XTRA 26

# MINKA DOES IT AGAIN!

## THE BUSTIEST ASIAN IN THE WORLD IS PUTTING ON A HARDCORE SHOW AS ONLY SHE CAN!

Lock-n-load *SCORE*-men, because it's time for some deep-dicking, tit-fuckin', cock-suckin' and jizz-flyin'…basically everything you've cum to expect from *SCORE Xtra.* Batting lead-off is Minka. That name, in and of itself, should be enough to get most tit-lovers spurting goo like a busted firehose. She's the world's bustiest Asian, a hardcore legend and…well, Minka!

CHECK LIST **MINKA** **BIRTHDAY:** September 7th **HEIGHT:** 5'8" **WEIGHT:** 131 lbs.
**MEASUREMENTS:** 56-26-35 **BRA SIZE:** 38K **LIVES:** Las Vegas, Nevada
**WEBSITE AND FAN CLUB:** www.minkaxxx.com; Minka, 8635 W. Sahara Avenue, PMB 3564, Las Vegas, Nevada, 89117
**PREVIOUS *SCORE* APPEARANCES:** 20 pictorials dating back to Oct. '94, including March '04 and July '03 (XXX boy-girl)
**VIDEO:** *SCORE Xtra #9* (XXX-Rated, available on VHS and DVD in the Video Club on page 98 of this issue); *Mega-Boob Olympics* (X-Rated, available on VHS and DVD online at www.eBoobStore.com)

Shown here in her latest *SCORE* studio fuck session, Minka and her notoriously tight pussy took this 10-inch long, mighty thick dick deep in her twat. How can a lady who has taken over 100 cocks in her life have a tight cunt? We've been saying it for years, so one more time won't matter: Minka is special. Not only does she have some of the biggest tits in the world, her pussy is practically virginal. Studs have told us it's way tighter than her asshole. But, when Minka gets "sooo hony!" and her tight twat gets hungry, watch out! The living legend goes at engorged penis like, well, a living porn legend.

Where's the video? Cumming soon, sports-fans. This is a scene from the soon-to-be-released *SCORE Xtra #12*, which stars…hell, it stars Minka and her super-huge tits getting a semen-bath. What else in life is there? As for the bustiest Asian, her life hasn't changed much in the past few years. Her tits are huge, and her hormones are still raging, so we will definitely continue to feature this sexy readers' favorite in *SCORE* and *SCORE Xtra* as long as she wants to keep posing. And that's why Minka is one of the great ones!

# SCORE Xtra 11

**Review By CURLY REDWOOD**

Is *Volume #11* the latest and greatest *SCORE Xtra* video? Having spewed globs of goo over the first 10, I'd have to say that they'll be hard to top. But, it's always fun to try.

Let's give it a go, shall we!

## BRANDY DEAN

Brandy doesn't waste any time in her opening scene. She pulls down a purple tube top that has done a poor job of containing her massive mammaries, revealing huge, round melons capped by big areolae. She grabs her guy's cock and leads him around the bed, where she gets on her knees and gobbles down his man-meat.

Brandy certainly knows how to slob a knob. She works her hot mouth all over this guy's tool before sliding it between her tits. Brandy then hops up on the bed and gets on all fours so she can take more of his cock into her throat. She takes in more than half of it as her boobs sway back and forth. Most impressive is that she is working just with her throat. No hand work at all.

When Brandy lies on her side to get a better angle, she pulls her cutoffs into her slit, using the denim to massage her pussy. In between sucking cock, Brandy does a fair amount of talking dirty, telling her man what she wants him to do with that cock she's preparing.

She also goes about preparing her pussy. Brandy fingers herself while slurping on his tubesteak, spreading her shaved lips so you can see them glisten. Then she gets on her back and gets a frenzied tit-fucking, which continues with Brandy on top. She lowers her udders onto her man's cock and he bucks up and down through her cleavage until Brandy begs him to fuck her. The two of them continue to talk dirty while he's jamming his rod into her twat. Brandy's legs are spread wide, and he's burying his tool in her hole.

**For power fucking with big titty babes, you won't need to be calling any phone sex lines this month. The newest *SCORE Xtra* video, *Volume #11* has got you covered with six sleazy sex scenes, including Brandy Dean (below, right) taking a big cock between her tits, in her mouth and up her snatch, and Daphne Rosen (below, left) doing the same.**

Brandy then gets on her side and her man starts laying the pipe in a spooning position. She then puts about three pillows under her gorgeously round ass so her man can pile-drive her. He does a methodical job of pumping her pussy, going balls-deep with every stroke. Finally, he gets a few final strokes between her tits before shooting a commendable load, which hits Brandy in the face and tits.

## DAPHNE ROSEN

In this scene, Daphne is playing a cleaning woman at the Love Hotel. If more cleaning women looked like Daphne, with her pretty face and killer curves, we'd love staying in hotels, too.

Anyway, Daphne goes into this room with the intention of preparing it for the next guest. But when she pulls the sheet back from the bed, she finds a naked guy. When she tells him he needs to go so she can make the room up, he protests that he has a late checkout and doesn't have to leave for an hour. Hmm, what could happen in an hour?

So, instead of starting in the bathroom or running a vacuum, Daphne takes out her duster and starts dusting the guy. He may look a little old, but not to the point where he's dusty. That leads to the following exchange. "You know sir, I'm charged to clean the entire room, but you've got a filthy little cock," Daphne tells him. "I'm going to have to clean it with my mouth."

And just like that, Daphne takes his full length down her throat. Ignore the grammatical error and the word "little" before the word "cock" (always a faux pas for the ladies who are reading) and focus on Daphne's cock-sucking. She's a master. Her use of tongue is excellent, and she goes way down on this guy's bone. She also uses a generous amount of saliva to keep things slick. Best of all is that she mostly uses her mouth and throat rather than her hand.

Clearly appreciating her work, the guy tells her, "You're a dirty little whore, aren't you?" Daphne's reply is "that's why they hired me." Give whoever hired Daphne a raise. After all, she provided us with one as soon as she took her firm, round jugs out of her top. Speaking of that top, how many hotel maids do you know who dress in a low-cut pink satin top with a matching short skirt?

After doing some outstanding work on this guy's knob, Daphne climbs on for

# BRANDY TALORE THE NYMPHO!

## YOU GIVE A *SCORE*-GIRL DICK ONCE ON CAMERA, AND SHE CAN NEVER GET ENOUGH!

Is there a funkier sight than a cute, adorable, busty girl-next-door blowing a Double Bubble while stroking a guy's cock? Yeah, you have to chalk that one up in the "you don't see that every day" category, right along with Brandy Talore fucking and sucking. Two years ago we never thought it would happen. Now, she's doing it for the second time! Is this a great world or what!?!

We first saw Brandy tackling a trouser-python in the Nov. '04 *SCORE* Xtra and on her XXX debut flick *Hard SCORE.* This guy isn't packing like her last one (who is?!?), but Brandy sure is, and she has gone from a shy cutie-pie to an insatiable nympho over night. Why? Brandy blames... us. "The last time I did it for *SCORE,* that was the best sex of my life. Now, I want it over and over and over again! What can I say? You guys have turned me into a great-sex addict!" What can we say, Brandy, except... you're very welcome!

CHECK LIST **BRANDY TALORE** **BIRTHDAY:** February 2, 1982 **HEIGHT:** 5'2" **WEIGHT:** 132 lbs. **BRA SIZE:** 36DDD
**MEASUREMENTS:** 42-29-36 **BORN:** Bowling Green, Ohio **LIVES:** Toledo, Ohio **OCCUPATION:** Massage student

**VIDEO:** *Hard SCORE* (XXX-Rated, available on VHS and DVD in the Video Club on page 98 of this issue)

Talk about cumming into your own, big-time. Young, naive Brandy started out her *SCORE* career in 2003 as a fresh-faced, All-American girl. Now, she's taken two doses of guy gravy to her tits in *SCORE Xtra,* once on video in *Hard SCORE* and has even participated in a soon-to-be-released *Busty Ladies of Oil Wrestling* video where she goes tit-to-tit with the likes of Angela White and Annie Swanson in a wrasslin', bitch-slappin' free-for-all! But, don't all of you guys worry. Brandy is still cute, cuddly and the girl-next-door. Only, now she's got some spunk...and is looking for lots more in the future!

a reverse cowgirl ride. Sometimes she's riding, sometimes she's grinding, and sometimes she's just keeping herself balanced while the guest hammers her hole from the bottom.

When Daphne finally rolls off of him, she gets on her side, throws a leg over his shoulder and gets long-stroked while she pinches and licks her nipples. Our man gives her a good banging, even slapping her ass a few times while he's jamming his cock in her tight twat.

Daphne then gets on all fours and really takes a deep boning as her pendulous breasts sway back and forth. She obviously enjoys talking dirty as she gets slam-fucked from behind. Daphne then lies back on the bed she will soon have to make and spreads open, telling the guest to fuck her hard.

The guest spends what seems like most of his hour hammering Daphne doggie style, but then she's back on top, riding his hard-on for all she's worth. Then Daphne goes for the anal, slowly working his cock in and then enjoying each thrust. She plays with her clit while getting her rosebud plowed.

Then Daphne proves to be a goddess. She takes his greasy cock out of her well worked-over asshole and immediately goes down on him again. She even makes a remark about how her ass juices are what is making his cock taste so good while she sucks and jacks him off. Her reward is a splattering of gooey cum all over her tits.

## SUMMER SINN

Summer Sinn is sitting on her bed, putting clothes into a suitcase. She's leaving her boyfriend Steve because he's been hanging around with the sluts downtown, and she's tired of him lying to her.

In walks Anthony, Steve's friend. Summer immediately seizes the opportunity for revenge, pushing her enormous rack into Anthony's face and rendering him powerless, much like kryptonite does to Superman. Unlike kryptonite, Summer's boobs don't render all of Anthony powerless. In a matter of seconds, he violates one of the codes of men ("Bros before hos") and declares that Steve is an asshole and deserves the

revenge Summer has planned.

Summer pulls her top down to reveal not only a titanic pair of tits, but also a piercing through her left nipple. Anthony pays extra-special attention to the mini-barbell she has going through that nipple. Soon, we see Summer hovering over Anthony's mouth, sucking on her right nipple while she gets oral. Finally, Summer leans forward and takes Anthony's organ into her mouth for a few moments. She then positions her globes around his cock and tit-fucks them while Anthony continues to work on her mound.

Summer tells Anthony: "I want your cock to cum all over my tits."

So do we, baby. So do we.

Summer clearly is into giving oral. She shows good technique, uses her hands and mouth well and also doesn't forget about the balls. After giving him some great head, Summer lays on her back, and Anthony fucks her tits while telling her he always wanted his hard cock to be separating Summer's massive tits. Summer has enormous areolae and nipples that are thick enough to bite. She also has the left one pierced with a barbell running through it.

After banging her boobs for a while, Anthony goes balls deep into Summer's bald beaver. She climbs on top of him and gives him a scorching ride, reverse cowgirl style. Anthony likes it so much, he blurts out, "I don't think revenge has ever been so sweet." Hey, he's got the good end of this deal.

Summer gives him a hot ride, rotating her hips and doing everything she can to milk the cum from his balls. She moves to all fours, and Anthony fucks her from behind while spanking her ass. When Summer gets on her side and Anthony spoons in behind her, you really get a view on just how enormous Summer's cans are. You also get to see the tattoos she has on her stomach and hip, as well as the one near her right ankle when she really spreads wide.

The couple eventually moves back to doggie style before Summer lies back, and Anthony slides his tubesteak into her sopping wet box. Summer spreads her legs wide to accommodate his manhood before going back to sucking him off. Anthony finally blows his load all over her prodigious rack as Summer screams with obvious joy and satisfaction, "Revenge is so sweet."

We're just wondering how she knew since she didn't swallow.

## CHRISTINE ALLURE

I've been waiting my whole life for a woman like Christine Allure to ask "is anyone sitting here?" and point to the barstool next to mine. After all, how often does a hot, stacked blonde in a red miniskirt and wraparound top with a plunging neckline actually give a regular guy the time of day?

An awful lot of giggling and drinking of some sort of blue cocktail ensues, but all of a sudden this guy, who appears a little drunk, is feeling up Christine. She asks him if he likes big tits. (Hint to all women with big tits: The answers is ALWAYS "Yes." If a man says "No," send him home to watch his Richard Simmons videos and listen to his Backdoor Boys CDs.)

Christine then tells this dumbfounded guy that she has a feeling he's married and that it would be hot if he was. Our man is no dope and comes up with the right answer, "Well, in that case, I'm married." Yep, he's a *SCORE*-man.

Suddenly, the two of them are back at her place and Christine's top is a memory. The Married Guy is manhandling her cans and sucking on her nipples. Christine is getting herself even more turned on by asking him how often he cheats on his wife. When he tells her he has a couple of girls, you can practically see the juices drip from her pussy. Christine responds by giving The Married Guy a well-deserved bronski, pushing his greedy face between her huge boobs and slapping them back and forth into his head.

What follows is Christine gulping down some man-meat as she sucks on some hard cock. She goes down on him and strokes him with her left hand before swinging around so he can eat her box at the same time.

The Married Guy then turns the tables and straddles Christine for a tit-fucking, plowing it between her 34HH bodacious ta-tas. He slaps his cock against her nipples and large areolae before having Christine mount his cock for a reverse cowgirl ride. Christine's riding makes the bed groan, and at one point she asks her stud how he's doing.

He must be doing fine, because soon after he's fucking her deep in a spooning position. Christine is loving him because he's hitting the exact spot she wants him to hit, and he's slamming his pole into her. She's moaning and tells him to fuck her pussy. It seems like a pick-up made in heaven.

Next, Christine's head is hanging off the side of the bed, and The Married Guy is thrusting his full length into her. She starts talking about how his wife is missing out and how she wouldn't let him out of the house if they were married. She goes back to sucking him off before he shoots a prodigious load of guy gravy all over her waiting jugs.

## TARA MOON

This scene starts with Tara sucking on a thick shaft. You have to like a scene that doesn't waste any time. She moves effortlessly to sucking on his balls and then a reverse tit-fucking, as Tara tongues this guy's nuts while he pumps his cock between her big tits.

If you find tan lines sexy, you will adore Tara in this scene. She looks like she just stepped off a beach. Most of her body is tanned except where she was wearing her bikini top and bottom, causing a stark contrast with her bronzed skin and milky-white breasts.

After the tit-fucking, Tara's man stands up and just flat-out bangs her. She tells him, "Harder" and "Don't stop," which can only mean she's loving his thick cock. Tara proves that when she climbs on top of him and impales herself on his shaft before wildly bouncing up and down on his man-meat. Clearly, she craves dick. The two trade places, with

Two busty babes who crave big dick and lots of it are *SCORE*-girls Tara Moon (left) and Latia Lopez (right), who are some of the wildest, most passionate porn stars in the world.

Tara on her back and getting long-stroked and then climbing back on top and riding his rock-hard and horny cock like it was a wild bronco.

Tara looks like a greyhound with her long legs when she's on all fours taking a hard pounding. Her man grabs a handful of her long blond hair and hammers her hard from behind

If you're looking for non-stop, hard-core fucking, this is the scene for you

## LATIA LOPEZ

You've heard of J.Lo, now feast your eyes on the better version: L.Lo. Sure J.Lo might be a little more famous, but for what? She has a "shapely derriere." In other words, she has a big ass. She also doesn't have much of a chest. On the other hand, L.Lo, as we like to call her, has a great chest, an exceptional ass and sucks a cock well enough that J.Lo should take lesson on how to keep her man happy.

L.Lo has these great lips, prototypical DSLs (Dick Sucking Lips, for those not in the know), and she uses them incredibly well. Perfectly done in a sexy bright red lipstick, L.Lo gives her man the ultimate hummer before she goes for a wild ride on his baloney pony.

When L.Lo climbs on top of her man's cock, you can see her Latin influence in the way she shakes her hips and moves on top of him. It's *muy caliente.*

She displays some of that fiery Latin temper when he takes her from behind. L.Lo wants more. She wants it harder and faster and deeper. She wants to get fucked. She takes a deep, hard pounding and then looks her man right in the eyes as she rides him until cum is practically spurting from his nose. But instead of taking him over the edge, she smothers his face with her tits and leaves him ready for more.

L.Lo gets on the bottom, and her man bravely gets a few more strokes out of his engorged member. Finally, he can't hold back any longer and she sprays his load on her breasts and stomach.

And, whew, that's the last scene on *SCORE Xtra #11.* With six XXX humpings in all and every sex act covered by ladies with some of the biggest tits in the jizz biz, you'll watch this video over countless times and cum like crazy. How do I know? Experience!
